News and Upcoming Games

I am pleased to announce that Karen Barrett will be holding her Friday morning game at our club for several months while the New Canaan Country Club undergoes renovations. We will have a Friday morning game and an afternoon game in December, January and February. This is an open game and all players are welcome to attend.

The final game of the year will take place on Friday, December 21st. We will have a holiday party on December 21st. On this day, there will be a free catered lunch. We are also running an **upgraded club championship** game (lots of ponts)! The game will start at 12:45 pm on this day to give us time for lunch. We will be closed the last week in December for the holidays. We will reopen next year on Wednesday, January 2nd. Have a great holiday and thanks for a great year!

Director Please!

Please remember, any time an irregularity is pointed out ***it is your obligation*** to call the director. Irregularities include, but are not limited to, leads out of turn, failure to follow suit, insufficient bids, accidentally dropped cards, bids made out of normal tempo or improperly explained bids. Players should be comfortable calling for the director as this is a perfectly normal part of the game. Do not try to resolve disputes yourself. This often leads to more problems. The director is trained to know the proper way to resolve irregularities fairly and quickly.

Card Fees Next Year

After reviewing the performance of the club this year, I have decided not to increase the table fees at this time. All regular length games will still cost \$14. Thanks for your business; I know you have a choice in where you play. My goal for 2019 is to make **The Seven-No Trump Bridge Club** your favorite place to play. To that end, I am open to any suggestions you might have to improve the club. Many of our most successful ideas game directly from you!
