March 2019 News

News and Upcoming Games

We have several special games in March. I always make sure I run every extra point game that the club is entitled to run and I never charge extra for special games. **Do you need SILVER?** STaC week begins on March 11th and this is your chance! All games that week pay silver points. In addition, our results will be combined with other clubs to give some huge overall awards. The last week in March I am running several ACBL Membership games. These games pay **double points**, but there's a catch. In order to win points, both players must be current, paid ACBL members. If you want to join or renew your membership, it's easy! Just visit acbl.org.

Registration is now open for our 2nd annual **Connecticut Bridge Association Spring 199'er Sectional Tournament!** The tournament will take place on Saturday, May 4th at our club. You can register through the homepage or by filling out an entry form. This tournament is open to any player with **fewer than 200 MP as of March 31st, 2019.** We have 2 sessions—10 am and 2 pm. A free lunch is included if you're playing in either session. We will have trophies for the winners and free educational giveaways. All points for this event are **SILVER.**

Spring Special

In the months of March, April and May if this is your first time playing duplicate at the club both you and your partner play **FREE!** Already playing at Seven No-Trump? Bring in a new player and you both play free! Please note, this special does not apply to the Spring 199'er Sectional.

Convention Cards

Please remember you and your partner need to have an accurate convention card filled out. This convention card is to inform your opponents of your methods. If you use Standard American, I provide ACBL Yellow Cards at the front desk for your convenience. These are already filled out of Standard American.
