- Mentees should have fewer than 200 masterpoints
- Mentors and mentees should be available to play together at least once a month.
- Mentors can mentor more than one mentee at a time.
- All participants may choose their own mentor/newcomer with approval of the Mentoring Chair. All other partnerships will be assigned. Once you have been matched, you will receive a detailed letter about the program with the name of your mentor/mentee.
